Organisation(s)	: Hanns Seidel Foundation Vietnam Office in partnership with CCS
Duty Station	: Hanoi and online
Duration	: max. 8 working days from June to October 2024
Remuneration	: max. 250 USD/full working day.
Type of Contract	: Consulting Contract

1. CONTEXT

The Hanns Seidel Foundation (HSF) is a political foundation with its headquarters in Munich (Germany). “In the service of democracy, peace and development” – this motto is present in the work and mission of the Hanns Seidel Foundation. Since 1995, HSF has supported the integration of Vietnam into the global political spectrum and the ASEAN-Community. Since the establishment of a representative office in 2011, HSF has focused its work in Vietnam on social and environmental policies for sustainable development.

Center for Creativity and Sustainability Study and Consultancy (CCS) is a Hanoi-based science and technology organisation, specialising in localising the practical technologies and solutions for SMEs and communities in the field of renewable energy, sustainable agriculture and product innovation.

HSF and CCS are jointly looking for a candidate to fill the position of National Mentor to consult and coach to teams participating in ClimateLaunchpad 2024 in business model and product development.

ClimateLaunchpad (CLP) is the Global Green Business Ideas Competition which is run and administered by EIT Climate-KIC Holding B.V., an association duly incorporated under the laws of the Netherlands. EIT Climate-KIC Partner - The ‘Delft University of Technology’ support the majority of Global CLP. The competition’s mission is to unlock the world’s cleantech potential that addresses climate change. The competition creates a stage for those ideas. CLP is part of the Entrepreneurship offerings of EIT Climate-KIC – the EU's climate innovation initiative, working to accelerate the transition to a zero-carbon and resilient world by enabling systems transformation.

CLP has been officially organised in Vietnam by CCS since 2019 and supported by HSF since 2020. CLP Vietnam provides a platform for early start-ups and project teams with green business ideas in initial stages to pitch and sharpen their ideas through intensive and customised mentoring, training, and coaching sessions. In addition to enhancing knowledge of sustainable business management among entrepreneurs in Vietnam, CLP also seeks to contribute to improving both quantity and quality of the green start-up ecosystem in Vietnam, which eventually contributes to the implementation of Vietnam’s National Action Plan of Sustainable Consumption and Production as well as facilitates the transition to a circular economy in Vietnam.

CLP Vietnam 2024 is broken into 5 main parts:

- (1) Application and interviews
- (2) Boot Camps
- (3) Follow-up Boot Camp coaching sessions for top 10 national finalists
- (4) National Final
- (5) Special coaching sessions for 3 winners in preparation for Regional Final

The National Mentor will be contracted by HSF and will work under the joint supervision of HSF and CCS to provide consulting services and coaching sessions focusing on business model and product development for green teams participating in ClimateLaunchpad.

2. OBJECTIVES
